Dear Rosella,

Re: letters and photos

Greetings from Dagama home to you all. We hope you are fine here we thank God all is well we have had a problem with the drilling of the borehole. We thank God finally we have fresh water we flushed the old one and we had to put PVA pipes and the new pump which costed k42.500. kindly see the work.

The dry borehole

Flushing the old borehole

Finally we have fresh water

We would like to thank you for the work well done. May God bless you and our donors.

Yours very grateful
